

FISCAL NOTE

HB 2890

March 22, 2006

SUMMARY OF BILL: Prohibits reimbursement from the Drycleaner Environmental Response Fund for the portion of response costs designed to achieve cleanup standards in excess of those applicable to the real property on which the drycleaning facility is or was located.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - This bill is estimated to reduce expenditures by the Drycleaner Environmental Response Fund by defining the scope of cleanup required at certain sites. However, the extent of such reduction cannot be quantified due to uncertainty about the number of sites to be remediated and the extent of the remediation required at each site.

Assumption:

- Reimbursement for cleanup will be reduced due to a narrowing of the level of cleanup required at each site.
